GLOBAL VISION
We actively promote global engagement through international exchanges, study-abroad programmes, cultural and language immersion, summer schools, community service and internships.

EXCELLENT TEACHING
At CityU, we offer broad-based, multidisciplinary, professionally oriented programmes in the liberal arts and social sciences to ignite and cultivate a passion for knowledge and discovery in our students.

GET PREPARED
Understand your personality and interests, stay focused on your learning and make the right decision on university education.

BE PROFESSIONAL
We prepare our graduates to be leaders with professional competence, a multicultural understanding and a broad vision who are ready to lead, serve and make a difference.
