Division of Building Science and Technology

College of Science and Engineering | City University of Hong Kong

Government-Funded Programme

JUPAS Catalogue No. JS1091

Division of Building Science and Technology
Options: ASc Building Services Engineering
ASc Construction Engineering and Management
ASc Surveying
**Entrance Requirements for Hong Kong Diploma of Secondary Education (HKDSE) Students**

**JUPAS code : JS 1091**

For admission to the government-funded Associate of Science programme offered by the Division of Building Science and Technology, applicants must meet the entrance requirements listed below. The levels / grades indicated are the minimum acceptable but possession of the qualifications in no way guarantees acceptance.

<table>
<thead>
<tr>

</tbody>
</table>

**Remarks:**

1. **Other HKDSE Subjects**
   - Chinese Language and English Language are excluded.
   - Besides Category A elective subjects, Mathematics extended modules (M1/M2), "other languages" (at grade E or above) and some Applied Learning (ApL) subjects can also be used to meet the requirement for "three other HKDSE subjects". If students take both M1 and M2, they are counted as one subject only.
   - Students who plan to select Building Services Engineering OR Construction Engineering and Management of JS1091 are advised to study M1/M2, and preferably Physics, Combined Science (Physics and Biology) or Combined Science (Physics and Chemistry).

2. **Non-Chinese Speaking (NCS) Students**
   Applicants who have (i) learned Chinese Language for less than 6 years while receiving primary and secondary education or (ii) learned Chinese Language for 6 years or more in schools but have been taught an adapted and simpler Chinese Language curriculum not normally applicable to the majority of students in local schools, can use the following qualifications to replace HKDSE Chinese Language level 2 to meet the entrance requirement for Chinese Language:
   - HKDSE Applied Learning Chinese "Attained" or above
   - GCE/AS Chinese grade E or above
   - GCSE/IGCSE Chinese grade C or above

   "HKDSE other languages" cannot normally be used to meet the entrance requirement for Chinese Language. While waivers may be granted at the discretion of the Division of Building Science and Technology, such considerations are only made under special circumstances on a case-by-case basis. Students are thus strongly advised to obtain the requisite Chinese qualifications.
