Alert on recent unrest in interning countries - Registration of Outbound Travel Information

Dear Staff and Students,

To ensure timely information dissemination during emergency, students taking up overseas internship are strongly advised to register under the "Registration of Outbound Travel Information (ROTI)" scheme. The information provided in the registration allows the Assistance to Hong Kong Residents Unit of the Immigration Department of the HKSARG to contact and assist the students in case of emergency. Registered students will also receive updates on Outbound Travel Alert (OTA) and related public information via SMS to their Hong Kong or overseas mobile phone of their registered destination. More details of ROTI are available at http://www.gov.hk/en/residents/immigration/outsidehk/roti.htm.

In view of the recent unrest in Vietnam and Thailand, below are the latest HKSARG advices:

Vietnam

In view of recent demonstrations and riots in various parts of the country, the HKSAR Government has issued a Red Outbound Travel Alert (OTA) signal on 15 May 2014.

Thailand

The Thai army announced coup and took control of the government. The HKSAR Government has issued a Red Outbound Travel Alert (OTA) signal on 22 May 2014.

More details and updates on HKSARG's OTA issued on various countries can be found here at http://www.sb.gov.hk/eng/ota/. If you/your students are taking up an internship
in Vietnam or Thailand, please inform our office via caio@cityu.edu.hk (email) or 3442 5591 (phone).

Best regards,

Career and Internship Office
