Integrity Check

For all successful applicants, an integrity check is conducted to ensure that the applicant is in good social and financial standing and that he or she has not violated the law in any way, and that all he or she has claimed about himself is true. Checks will be done on these areas:

- Background of applicants
- Background of family members
- Financial status
- Overdrafts, debts, outstanding credit card bills
- Criminal records (your own and direct family members)
- Previous employers
- Verification of academic qualifications

Medical Examination

A medical examination will be required of all successful applicants to make certain they are in good health.
