Host Institution: National University of Singapore (NUS)

Department: 6<sup>th</sup> Jan 2016 7am

Programme: Chemistry

Exchange Period: 2015-2016 (Semester B)

# Out of Classroom

---

9<sup>th</sup> Mar 2016     I got you in my sight

I joined an Archery training in NUS. After several lessons, I learnt how to shoot and successfully hit the bull's-eye 10m away from the target board.

5<sup>th</sup> Mar 2016     Rest in Nature

Whenever felt tired, I came to Botanic Garden. In this biggest garden I ever seen, I sit down, listened to the sound of nature and took a break from the suffocating life.

12<sup>th</sup> Mar 2016     Go cycling!

It's time to go exercise! Today I went to East Coast Park with my friends and rented a bike. Then rode along the cycling path and enjoyed the view.
