## Connecting Windows 10 to "CSL" or "Y5ZONE" hotspots

## I. Connecting to CSL hotspot

a) Click the "**Network**" icon to list the available wi-fi networks in range.

b) Select "CSL" and then click the "Connect" button to establish connection.

c) Bring up your favorite web browser and visit any web page. If you are not yet authenticated, the system will forward you to the login page. Select "Roaming & Other Users" in the menu bar and then select "City University of Hong Kong" in the user category list box:
