DVD on Bail Application

Project Number: 6000448

Principal Investigator: Mr John Alexander Stephen BURKE

Grant Type: TDG

Abstract:

Students in the Course Criminal Litigation Practice are required to undertake an assessment in which they make a Bail Application in the Magistrates Court.

As part of the preparation for this assessment, students have viewed live demonstration of a bail application by legal practitioners.

While the live demonstration of the practitioners is very valuable in demonstrating in a very comprehensive manner how students should undertake Bail Application there will be a benefit in producing a DVD on the same topic as students can view it a number of times if it is put on the university intra-net.
