Basic Rules

- What is beautiful?
- How can an images please us?
- How can our emotion be affected by what we see?

Point of Attention

- What do we see in a picture?
- What do we not see?
- Do things we ignore matter?

Story Rules

- How can images tell a story?
- Is there a way to arrange the plot visually?
- How are ideas expressed through images?

Movie Rules

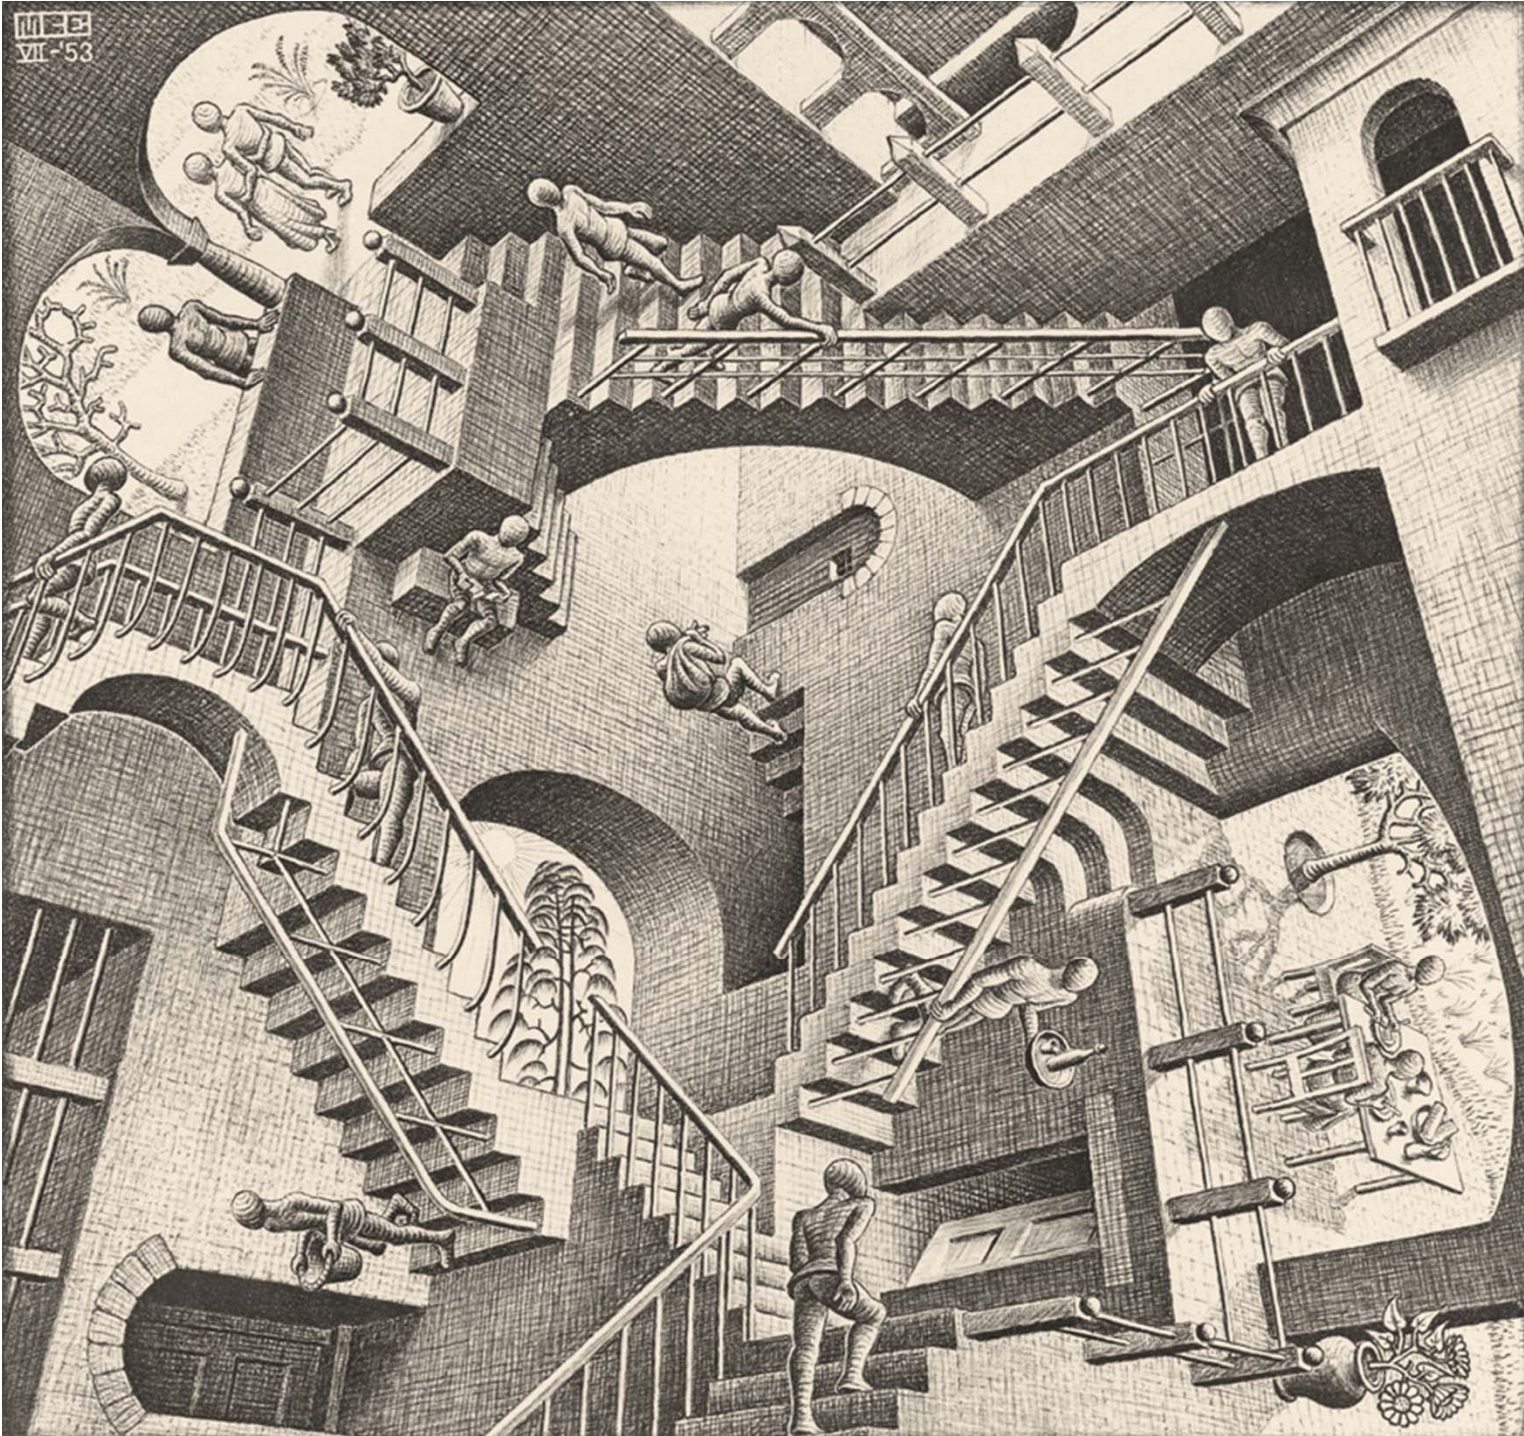

- How do lines and shape work in a frame?
- How moving directions are decided?

Meaning

- Does an image have a meaning?
- Or are we always playing the guessing game?
- Create your image...

Perspective

- Is this picture possible?
- Is there an objective angle to see things that really exist?

Mirroring

- Is there an end to this image?
- How images are converted to stories, and stories back to images?
