Questions in your mind?

- ▶ How does the first robot look like?
- ▶ Relationships between human and robots?
- ▶ Can we build our own robots?
- ▶ Are our lives getting too comfortable & too convenient because of using robots?
- ▶ What are the social & ethical implications?
- ▶ How does a robot feel and see?
- ▶ Can we talk to a robot and how does it think?
- ▶ What software / tools can we use for interacting with robots?
