

Magnetic music

The Ferro-phone, a musical instrument operated by magnetic fluid and electromagnets, was one of the exhibits at this year's Discovery Festival, a celebration of innovation originating from CityU's unique Discovery-enriched Curriculum.

以磁奏樂

「磁樂」是以鐵磁流體及電磁鐵產生聲音的樂器，是「2017探索創新節」的展品之一。該展覽展示了城大獨特的「重探索求創新課程」之新成果。
