UBS Investment Bank

December 4, 2007, 4:00 to 5:00 pm

Room B5-419, 5/F Blue Zone, Academic Building

(Please use Lift 3)

City University of Hong Kong

Jonathan is Senior Global Emerging Economist for UBS Investment Bank. Before joining UBS in 2003, he worked at Goldman Sachs; he also spent eight years at the International Monetary Fund, including three years as Resident Representative in China and three years as Resident Representative in Russia. From 2003 through 2007 Jonathan was Chief Asian Economist for UBS, and was top-ranked in a wide range of broker polls including Asiamoney, Institutional Investor, The Asset and FinanceAsia. He is the author of "The Five Great Myths About China and the World", and speaks fluent Mandarin Chinese and Russian. Jonathan received his MA and PhD Candidacy in Economics from Harvard University.
